This season, though not a championship one, had its highlights which will be remembered. The team got off to a slow start but came up from the bottom, fighting hard all the way, to finish in third place. One of the bright spots of the season was the fact that we defeated Neillsville twice. This was the first time in sixteen years that a Granton team had won on the Neillsville floor. Other highlights were the defeat handed Colby and the win over Rib Lake in the 3-C play-offs at Medford.

Our school newspaper, The Scraper, is published once a month by the staff working under the direction of Miss Knudtson. A copy is distributed to everyone in school. An innovation this year was the use of paper of various colors instead of the usual white. The purchase of some new equipment to help us in printing the paper has, we feel, added to its attractiveness.
